

2022 Ultrasound Field Technician Training Beef Cattle Certification Prep Training

Thursday, September 8- Saturday, September 10, 2022

Location: The CUP Lab®, LLC and Iowa State University Zumwalt Station

The CUP Lab Beef Cattle Advanced Training is designed to prepare you to pass the UGC Field Certification. The beef cattle advanced training will allow you to see a wide variety of conditioned cattle including lean heifers and fat steers, to perfect your technique and train your skill. The training will prepare you for UGC Certification.

No equipment is required for you to attend training. We allow you access to all hardware type to use and choose the best hardware for your new business.

Registration is limited and will fill on a first come, first service basis and registration is not complete until we receive full payment.

Register online at: cuplab.com

Cost:

- Register by Friday, August 12: \$1,200 US Dollars

Cost includes: training materials, light breakfast, and lunch.

Cancellation must be made by Friday, August 12 for a full refund. After Friday, August 13, no refunds will be given. A processing fee may be assessed for refunds after Friday, August 13.

Certification will begin Wednesday, September 14th in Texas. If you need equipment for certification, please let us know in advance so we can make the necessary arrangements. There is a rental fee for equipment use during certification.

Hotel accommodations can be made through the Best Western University Park Inn & Suites, 2500 University Blvd, Ames (515-296-2500).

Call for The CUP Lab block of rooms to receive the discounted price.

The CUP Lab®, LLC reserves the right to cancel training for attendance or weather.
