

2024 Ultrasound Field Technician Training Beef Cattle Certification Prep Training

Monday, August 26th - Friday, August 30th, 2024

Location: The CUP Lab[®], LLC and Iowa State University Zumwalt Station

The CUP Lab Beef Cattle Training is designed to prepare you to pass the UGC Field Certification. The beef cattle advanced training will allow you to see a wide variety of conditioned cattle including lean heifers and fat steers, to perfect your technique and train your skill. The training will prepare you for UGC Certification.

No equipment is required for you to attend training. We allow you access to all hardware type to use and choose the best hardware for your new business.

Registration is limited and will fill on a first come, first service basis and registration is not complete until we receive full payment.

Register online at: www.cuplab.com

Cost:

- Register by Friday, July 26th : \$2,100 US Dollars

Cost includes: training materials, light breakfast, and lunch.

Cancellation must be made by Friday, July 26th for a full refund. After Friday, July 26th, no refunds will be given. A processing fee may be assessed for refunds after Friday, July 26th.

The date of certification will be during September in Canyon, Texas. If you need equipment for certification, please let us know in advance so we can make the necessary arrangements. There is a rental fee for equipment use during certification.

Upon registration, we kindly advise securing your hotel accommodations promptly to ensure availability. With demand expected to be high, securing your hotel booking early is strongly recommended to avoid any inconvenience. We appreciate your cooperation and look forward to welcoming you to Ames, Iowa.

The CUP Lab[®], LLC reserves the right to cancel training for attendance or weather.
