

# Fall 2019 Ultrasound Field Technician Training

## Beef Cattle Advanced Training

Thursday, September 19 – Friday, September 20

Location: The CUP Lab<sup>®</sup>, LLC and Iowa State University Zumwalt Station

**The CUP Lab Beef Cattle Advanced Training is designed to perfect your scanning technique on a variation of cattle and to improve your image quality. The beef cattle advanced training will allow you to see a wide variety of conditioned cattle including lean heifers and fat steers. The training will prepare you for UGC Certification.**

We encourage that you bring your own ultrasound equipment for training however, we do have limited equipment for use.

Registration is limited and will fill on a first come, first service basis and registration is not complete until we receive full payment.

**Register online at: [cuplab.com](http://cuplab.com)**

### **Cost:**

- Early Registration (by Friday, August 16): \$700 US Dollars
- Late Registration (after Friday, August 16): \$800 US Dollars

*Cost includes training materials, light breakfast, and lunch.*

Cancellation must be made by Friday, August 16 for a full refund. After Friday, August 16, no refunds will be given. A processing fee may be assessed for refunds after Friday, August 16.

**Certification will take place Friday, Sept. 20-24 in Kansas. If you need equipment for certification, please let us know in advance so we can make the necessary arrangements. There is a nominal fee for equipment rental.**

Hotel accommodations can be made through the Best Western University Park Inn & Suites, 2500 University Blvd, Ames (515-296-2800).

Call for The CUP Lab block of rooms to receive the discounted price.

*The CUP Lab<sup>®</sup>, LLC reserves the right to cancel training for attendance or weather.*
